

**F.E. WARREN AFB STANDARD BY-LAWS
(APPLICABLE TO ALL INTRAMURAL SPORTS)**

ELIGIBILITY: All military personnel on active duty (assigned or attached to this installation), dependents, DOD employees, NAF employees of F.E. Warren AFB and retirees are eligible to play intramural sports. Dependents must be at least 18 years of age to be eligible. Personnel on TDY orders to F.E. Warren are eligible to play for the squadron they are attached to if they are assigned to the unit for 30 days or more. TDY's are interpreted to mean from installation to installation, not local PCA's. **This means if you start the season with team "A" and PCA to team "B" during the same sports season you must finish the season with team "A". The penalty for ineligible players is forfeiture of all games the player participated in. Coaches playing ineligible players will be suspended (2) games. The ineligible player will also be suspended for (2) games with his/her team.**

A. Players must play on their squadron's team. If their squadron wishes to enter more than one team, i.e. A & B, players may only play for the team they started with. If a squadron does not wish to enter a team and has players who want to play, a letter is required, signed by their squadron commander releasing them into the players' pool.

B. Units may combine with other units in their respective group. Only small squadrons can combine teams. Limit 1 team per combining squadrons. Example: If COMM & CONS combined there would be only one team from this union, not two or three teams.

C. Teams combining will only be allowed to combine squadrons to fill a team. If two squadrons can't fill a team a third team can be added until a team can be filled. This concept will continue until a team can be formed. Large squadrons will not be allowed to combine with any squadron.

PLAYERS' ROSTERS: Rosters are required for all teams. Players may be added or deleted by the head/assistant coach no later than noon the day of the game during the season. To be eligible for post-season play, a player must have **played in two (2) regular season games**. If a player is on profile and he/she becomes eligible when the post-season start he/she will be able to play. It is the responsibility of the coach to keep their rosters updated throughout the course of the season. They are also responsible for insuring team members know times and dates of all schedule games. Rosters must be turned in by 1200hrs prior to the season start date indicated on the Letter of Intent. Each squadron will be allowed 2 teams. There will be no group teams.

Failure of the offender to do this will result in a forfeit. **Ejection of a participant from any game or match will carry an automatic suspension from that game the ejection happened and a minimum their team's next two (2) scheduled games or matches.** If a participant is ejected a second time during the season, that person will be ineligible to participate for the remainder of the season.

In the case that both teams have the same color jersey/shirt, a coin flip administered by the officials will determine which team will change color jersey/shirts. Jerseys will be available for checkout at the front desk. Pockets or belt loops are not authorized for intramural play. Pockets may not be taped, buttoned, zipped or turned inside out. A player with illegal equipment will be removed from the game and administered a technical foul. The removed player may not return to the court until he/she has legal equipment.

Protests during tournament play will be dealt with at the time of the occurrence. All protests will be annotated in the official scorebook by the coach, assistant coach or team captain. Note: Any squadron entering more than one team will not be allowed to receive players from the player's pool.
