Every Thursday Fall Hall and Awake Coffee Shop are open until 8 p.m.!

March 2 - Dr. Seuss's Birthday, 10 a.m. - noon You could not, would not, want to miss a celebration as fun as this. March is the month, the 2nd is the day, 10 a.m. - noon is the time, will you come out and play? We will be reading, snacking, and making some crafts. Lots of fun for all ages. That is a fact.

March 7 - National Cereal Day, 7 - 10 a.m. Strange that the invention of breakfast cereal was founded on the fact that the American diet of the mid 1800's was a poor one packed with protein, booze and caffeine. Or maybe it's not so strange. After all, cereal was considered a remedy - a sort of 19th-century health or wonder food for the ailing masses. Join us at Fall Hall for a free cereal bar in the lobby. We will have a wide range of cereals served with ice cold milk (non-dairy milk options will also be available.) Come on out and enjoy a bowl on National Cereal Day, which honors this classic morning meal and midnight snack.

March 14 - Pi Day, 10 a.m. Pi Day is celebrated on March 14th (3/14) around the world. Pi (Greek letter "π") is the symbol used in mathematics to represent a constant - the ratio of the circumference of a circle to its diameter - which is approximately 3.14159. Stop by the lobby for a slice of pie (while supplies last) and to add a couple links to our paper Pi chain. We will also be hosting a pie baking contest, with a \$25 FSS Gift Card for the winner. Entries must be submitted by 10:30 a.m. that morning - judges will deliberate, and the winner will be announced at 11 a.m.

March 20 - Extraterrestrial Abductions Day, 11 a.m. - 1 p.m. Most unidentified flying objects or UFO sightings can be readily explained as sightings of Earth-based aircraft, known astronomical objects, or as hoaxes. Nonetheless, a certain fraction of the public believe that UFOs might actually be of extraterrestrial origin, and, indeed, the notion has had influence on popular culture. The possibility of extraterrestrial life on the Moon was

ruled out in the 1960s, and during the 1970s it became clear that most of the other bodies of the Solar System do not harbor highly developed life, although the question of primitive life on bodies in the Solar System remains open. Gather up the family and join us downstairs to watch the Hollywood classic E.T. and enjoy free refreshments, as well as alien-themed coloring pages. Costumes encouraged.

March 25 - Family Game Night, 5 - 8 p.m. Gather up the friends and family and come enjoy some board games and refreshments over at Fall Hall. Find out which of your friends is a team player, and who is a ruthless tactician. Just don't forget that it's only a game, and hopefully everyone is still friends at the end of the night. If you're feeling like trying something new, ask Logan about Krosmaster Arena, Tsuro, or Dominion. See you there!

March 27 - National 'Joe' Day, 7 a.m. - 2 p.m. No matter what your name is, come stop by our Awake Coffee Shop and enjoy a FREE tall 'cup of joe'! Limit 1 per person.

March 4 - Woodward Barn at Copper We'll have FOUR hours in the barn, the first 2 hours (intro session) are designed for first time visitors to The Barn. During your first hour, you will become comfortable with the Olympic trampolines, foam pits, spring floor and other features in The Barn. For your second hour, you can choose to continue on with your coach to the Skatelite & foam pit jump introduction, or alternatively you can use the next hour to continue having fun in the trampoline area and skate/bmx areas. The second 2 hours will be an open gym style session where you can use the Barn to work on individual skills, and focus your training on the trampolines, jumps, pump track, spring floor, foam pits, or any of the skate features. Coaches will be stationed around the Barn to supervise the session and offer tips and tricks to help you progress safer and faster than ever before. Be sure to bring your ski boots or snowboard boots - you can't play on the Burton ParkBoard™ indoor snowboards and ParkSki™ training skis without them! Cost is \$35, minimum age for participation is 10.

March 11 - Snowy Range Snowmachine Trip With over 220 miles of groomed trails and another 100 miles of ungroomed, the Snowy Range is one of the nation's best places to ride, perennial top five. You must be 16 years old to operate a snowmobile. Cost for this half day ride is \$100. This is the one everyone's been asking about at Albany Lodge.

March 17-20 - Bataan Memorial Death March After the April 9, 1942, U.S. surrender of the Bataan Peninsula on the main Philippine island of Luzon to the Japanese during World War II (1939-45), the approximately 75,000 Filipino and American troops on Bataan were forced to make an arduous 65-mile march to prison camps. The Bataan Memorial Death March is a challenging march through the high desert terrain of the White Sands Missile Range. The memorial march is conducted in honor of the heroic service members who defended the Philippine Islands during World War II, sacrificing their freedom, health, and, in many cases, their very lives. Call 773-2988 or stop by to sign up. We will be camping in and near the pavilion again this year. Transportation arrangements are considerably different this year due to the number of participants we expect. This is one trip where you may drive yourself with a few restrictions. Cost is \$50.

March 25 - Chicago Ridge Snowcat Tour Chicago Ridge Snowcat Tours is operated by Ski Cooper on 2,600 acres of open powder bowls, glades and timber in the San Isabel and White River National Forests. This is an area roughly the size of Vail's Back Bowls, with similar length, pitch and vertical. A full-day, on average 8-12 runs in untracked snow, expect to return to the base lodge tired and happy at approximately 4 p.m. Trip includes a robust hot lunch in a backcountry yurt, use of individual rescue beacons & powder skis or boards (if desired), and a traditional après ski with choice microbrews and snacks. A strong advanced skier/rider can have a great time with us, but we use the word 'expert' when asked what level of skill is required. The snow is unconsolidated, ungroomed and deep! Suitable skiing / riding ability is mandatory to ensure an enjoyable experience for everyone. Trip fee is \$200 for Single Airmen and \$400 for all others.

One fighter is wearing a championship belt. At the bottom of the poster, there are two smaller images of the same two fighters, one on the left and one on the right, both with their arms crossed. At the very bottom, there are logos for "ticketmaster" and "Mobile ARENA".
